The Daily Gospel

Hello Church Family!

You're holding this in your hand (or maybe reading it on your phone) so hopefully that means you've decided to take this journey with us leading up to Easter! Our goal for this reading/listening plan is to prepare our hearts and minds as Easter approaches. We are so excited to see the way Jesus speaks to you during this time.

From now until Easter we will read or listen through all four gospels. The gospels are the first four books in the New Testament-Matthew, Mark, Luke, and John. These are stories of Jesus' life on earth. The friendships, the parables, the sacrifices, the meals, the miracles. We'll typically read/listen to three chapters a day and will finish in 30 days. One of my favorite authors, Annie F. Downs, says this: "You don't have to spend every day in the Gospels to be changed, but every day you spend in the Gospels will change you." We are believing that for you as you embark on this journey! Let's get into the Daily Gospel!
